Department of Public Safety

Currently Registered Dispensaries 2nd Location Update

An act relating to expanding patient access to the Medical Marijuana Registry.

On June 8th, 2017, Governor Scott signed a bill expanding patient access to medical marijuana, known as Act 65. This act made multiple changes to the Marijuana Registry requirements and regulation of dispensaries, including allowing registered dispensaries to serve patients at two locations under the same license. As of July 24, 2017, the Department of Public Safety has received proposals from currently registered dispensaries for the following geographic locations:

- ❖ Addison County – Middlebury
- ❖ Chittenden County – South Burlington
- ❖ Chittenden County – Williston
- ❖ Windsor County – Hartford

*These are proposed locations and have not been approved by the Department at this time.
The proposed locations above are unrelated to the applications for the 5th dispensary license.*
